## PRE-SHOW TIPS

- **Submit orders early to receive the discounted rate** – Please complete the necessary forms found in this kit or online at <https://order.vipetradeshow.com>. Standard pricing will apply to orders received after the published deadline.
- **Payments** – All orders and balances (including material handling) need to be paid prior to the first day of move in. Standard pricing will apply to all orders not paid by the Discount Deadline.
- **Preparing freight shipments** – We strongly encourage you to send all show freight to the advance warehouse. Some cost-saving tips are to consolidate your freight to have it delivered in a single shipment on an LTL freight carrier & arrange for the freight to be received on or before the Late to Warehouse Deadline to avoid late charges. **Material handling applies to every shipment received and charges will automatically be applied to your account upon receipt of each shipment.**
- **Review Quick Reference Page** – Please review the show schedule outlined and make sure your travel plans accommodate for a smooth setup and move out; the return of the empty freight containers can take at least an hour after the close of the show. **Please plan accordingly!**
- **Shipment tracking** – It is recommended you track your shipment prior to the show to confirm it has been delivered. You can send the tracking information to your Viper Show Coordinator as soon as your freight is shipped.

## SHOW SITE TIPS

- **Viper Service Desk** – The service desk will be located on the show floor for assistance with questions or show site orders.
- **Booth orders & freight delivery** – Our team completes a rental order and advance freight check prior to exhibitor setup to ensure everything pre-ordered and/or sent to the Advance Warehouse is in your booth. A Viper representative will be at the Viper service desk for assistance. Please address discrepancies immediately because credits are not provided to claims made post show.
- **Empty Storage** – Material Handling (drayage) service includes the storage of empty containers for the duration of the show. “Empty” stickers will be available at the Viper service desk. Place one sticker on each empty item (crates/skids/boxes) you want Viper to store. All items are returned at the close of the show and can take at least an hour to be returned.
- **Labor orders** – All exhibitor supervised labor orders will need to check in at the Viper service desk once ready for the labor.

*Under NO circumstances shall anyone attempt to move-in or move-out any exhibit materials or other items through the main entrance areas of the facility. Display of any motor vehicle, aircraft, or any apparatus in which a fuel tank is attached will be safeguarded by disconnecting the battery and securing the fuel tank fill pipe with a locking device or other approved method. Please contact [ashley@vipetradeshow.com](mailto:ashley@vipetradeshow.com) for more information. (2)6,000 lb. Elevators: 7’8” W x 11’8” D x 10’H (1) 12,000 lb. Elevator: 10’W x 19’8” D x 9’8”H)*

Viper Tradeshow Services is not liable and does not cover any AV equipment or other alike equipment. The Exhibitor holds all responsibility for such and should carry coverage for their own AV and computer equipment.

**Viper Transportation is the Official Carrier for this show.** If you would like Viper to be your carrier, simply complete and send us the shipping order form. Your BOL and labels will be delivered to your booth before the last days' exhibit hours.

If you decide to choose Viper as your carrier at show site, turn in the Viper Shipping Order Form provided to the Viper Service Desk by **1:00 pm** (1 hour before show closing) and we will write up your Bill of Lading and labels and deliver them to your booth. Payment must accompany your advance order and be received prior to the early deadline date and with completed Payment Authorization Form. All payments to be in US currency.

### OUTSTANDING PAYMENTS:

Viper Tradeshow Services requires payment for all services upon receipt of the order, including receiving shipments at the advance warehouse.

It is the responsibility of the Exhibitor to advise the Viper Tradeshow Services Service Center representative of any problems with any orders before the start of the show. No credits will be issued after the exhibition closing.

**Government Agencies please note:** If your firm or agency requires a purchase order be issued for any services rendered such purchase order must accompany the order forms.

All materials and equipment are on a rental basis, except where specifically identified as a sale, and remain the property of Viper Tradeshow Services. Exhibitors with a history of delinquent payments and/or open balances will be required to settle their past due accounts and forward an advance deposit to cover the estimated costs of service and, if such deposit is not sufficient, will be required to settle their accounts prior to the close of the exhibition.

**Viper Tradeshow Services reserves the right to hold any exhibitor freight who has unpaid material handling fees. Such fees must be paid prior to the release of freight onsite.**

Viper Tradeshow Services will accept payment by company check, or Method of Payment for Visa, MasterCard or American Express. Viper Tradeshow Services reserves the right to check the credit available on any card presented. If the exhibitor fails to pay their invoice prior to the close of the show, the charges will automatically be applied to the credit card on file.

International Exhibitors will be required to settle their accounts in full prior to the close of the exhibition. Payments must be made in US Funds or by credit card, cash, check, or bank wire transfer, when previously arranged by Viper Tradeshow Services.

**Tax Exemption Status:** If you are exempt from payment of sales tax, we require you to forward an exemption certificate for the state in which the services are to be used. Resale certificates are not valid unless you are rebilling these charges to your customers. Payment for all labor, equipment, and services, whether ordered by the exhibitor, display builder, non-official contractor, or other parties, shall be the responsibility of the exhibitor at the event. **A tax exemption certificate must be submitted prior to submitting orders.**

**Insurance:** Be sure your materials are insured from the time they leave your firm until they are returned after the show. It is suggested that exhibitors arrange all-risk coverage. This can usually be done by "riders" to existing policies.

*The exhibitor must report the damage or loss at the Viper service desk at show site and complete our paperwork documenting the incident. Failure to complete the proper paperwork at show site will result in the claim being waived. The exhibitor must submit any written claim for loss or damage within (30) days of the close of the show on which the loss or damage occurred or the claim shall be considered waived.*

*Viper shall not be responsible for damage to uncrated material, material improperly packed, concealed damage, pad wrapped or shrink-wrapped materials, glass breakage, or carpet in bags or poly. Additionally, Viper shall not be responsible for crates and packaging that are unsuitable for handling, in poor condition, or have prior damage. Crates and packaging should be designed to adequately protect contents for handling by forklifts and similar means.*

**Material Handling Form (MHA) aka Bill of Lading (BOL):** Your bill of lading must be turned in no later than the force times listed on the Quick Reference page. Each exhibitor is responsible for turning in a Bill of Lading to the Exhibitor Service desk after dismantling and completion of packing and labeling all boxes, crates, etc. The Bill of Lading is the official "permission" of the exhibitor allowing removal of freight from the booth to the carrier of choice (personal vehicle, truck, van line, airfreight, etc.). All shipments received at the close of the show are subject to a final count. We will count and ship pieces as we find the shipment when we remove them from the booth to load out.

All Material Handling Agreements submitted to Viper by the exhibitor will be checked at the time of pick up from the booth. Corrections will be made where any discrepancies exist between the quantities of pieces listed by the exhibitor and the actual count of such items in the booth at the time of pick up. Viper is not responsible for shipments left in booths by exhibitors. *Any unconsigned shipment left in the exhibit hall after dismantling hours will be shipped via the Official Show Carrier, Viper Transportation, at the expense of the exhibitor! Your bill of lading must be turned in no later than the force times listed on the Quick Reference Page.*

**Small Package Shipments:** Includes cartons received without documentation and delivered to the booth without guarantee of piece count and documentation, including but not limited to FedEx, UPS, Airborne, and DHL.

**"Hand Carry":** The ability for an exhibitor to "hand carry" their materials onto the exhibit hall through the front entrance without the use of wheels, including but not limited to, luggage carts, four wheel or two-wheel dollies, baggage carts.

**Cancellation of orders:** Exhibitor orders must be cancelled on or by the discount/cancellation deadline in order to receive a refund. All refunds for cancelled or adjusted orders before the deadline, will be processed at the close out of the show unless additional services/rental items are ordered. Any orders cancelled after the deadline will be charged at full. Credits will not be given for orders cancelled after this deadline or at show site. This is void for any full show cancellations at which point Viper will communicate policy. Refunds processed after 90 days of original payment will be paid via check or wire.

**Dimensional weight** is calculated by L x W x H (in.) divided by 200. Material handling and Shipping rates for this show are on actual or dimensional weight, whichever is greater.

**Final Show Audit:** Viper Tradeshow Services reserves the right to perform a Final Audit of this event for up to 120 days after the move out date of the event. Also, an end of the year review in December. If additional charges for any service, labor or equipment are found, it will be added to the Exhibitor's invoice and the credit card on file will be charged. ## VTS MATERIAL HANDLING TERMS & CONDITIONS

Advance shipments will be accepted at the Viper Tradeshow Services warehouse and allowed up to 28 days free storage if delivered by the advance deadline receiving date listed below, and includes delivering freight direct to the exhibitor's booth storage of empties during the show, delivery of empties at the end of the show to an exhibitor's booth, and turning in Bill of Lading to the service desk and loading of materials onto outbound transportation carrier. Show Site shipments receive the same services except for warehouse storage.

### Special Handling 30% Surcharge

Special Handling rates shall be applied to the total standard charges, but are not limited to the following types of shipments. Multiple scenarios may incur multiple special handling charges.

|                                       |   |
|---------------------------------------|---|
| <b>Van Line Shipments</b>             | All Shipments delivered by a Van Line Carrier will be charged special handling due to additional labor/handling, designated unloading/loading, etc.   |
| <b>Loose Freight</b>                  | Shipments packed in such a manner as to require special handling (i.e., loose display parts, loose carpet rolls unskidded, uncrated equipment, stacked freight, etc.) regardless of the kind of carrier or vehicle used, including small package shipments. |
| <b>Mixed/Undetermined Description</b> | Description of the shipment is such that the type of materials or equipment cannot be determined (i.e., 1 lot 20 assorted pieces, etc.) Including any mixed lot/multiple shipments that are delivered together.   |
| <b>Must be Delivered by Hand</b>      | Materials must be moved "by hand" to the booth due to facility situations beyond Viper Tradeshow Services' control (i.e., elevators, rooms forklifts cannot be used, etc.)  |
| <b>Small Package Carriers (SPC)</b>   | The use of small package carriers such as FedEx, UPS, DHL, etc. do not provide BOL and deliver large quantities on the dock requiring additional time to sort and identify.   |

### Overtime or Off Target 30% Surcharge

Shipments that qualify for overtime rates are any shipments unloaded or received at the warehouse/show site before 8 AM or after 4:30 PM on weekdays, anytime Saturday, Sunday or holidays or after ONE WEEK OUT. Additionally, when warehouse freight must be moved into the exhibit site on overtime, due to scheduling conflict beyond the control of Viper Tradeshow Services, or show move in or move out times are after 4:30 PM on weekdays, on Saturday, Sunday, or Holidays overtime charges will apply.

### Material Handling / Special Handling Definitions

**Material Handling:** Movement of goods. This includes receipt of your freight, delivery to the booth, storage and return of empty crates/boxes, and reloading.

**CWT:** 'Hundred weight' - a unit of measurement for weight, equal to 100 pounds.

**Storage Terms:** Exhibitors may hand deliver their own materials to the exhibit facility through the front doors. The use or rental of dollies, flat trucks or other mechanical equipment is not permitted. Viper Tradeshow Services must control access to the loading docks in order to provide a safe and orderly move-in/out. Material handling fees must be paid in full for any materials that require empty storage.

**Multiple Shipments:** Any shipments received from multiple locations or received at different times/dates are considered separate and will be assessed multiple Material Handling minimums. No cumulative weights will be allowed on minimums or split shipments.

**Ground Loading/Unloading:** Vehicles that are not dock height preventing the use of loading docks, such as U-hauls, flat bed double drop trailers, company vehicles with trailers that are not dock level, etc.

**Constricted Space Loading/Unloading:** Trailer loaded "high and tight" shipments that are not easily accessible. Freight is loaded to full car trailer – top to bottom, side to side.

**Designated Piece Loading/Unloading:** Drivers that require the crew to bring multiple pieces of the freight to the rear of the trailer to the next piece, having to remove freight from the trailer then reload to fit or the trailer must be loaded sequence to ensure all items fit.

**Stacked Shipments:** Shipments loaded in such a manner requiring multiple items to be removed to ground level for delivery to booth. Stacked or "cubed out" shipments, loose items placed on top of crates and/or pallets constitute special handling.

**Shipment Integrity:** Shipment integrity involves shipments on a carrier that are intermingled or delivered in such a manner additional labor is needed to sort through and separate the various shipments on a truck for delivery.

**Alternate Delivery Location:** Alternative delivery location refers to shipments that are delivered by a carrier that requires us to deliver shipments to different levels in the same building, or to other buildings in the same facility.

**Mixed Shipments:** Mixed shipments are defined as shipments of mixed crated and uncrated goods, where the percentage of uncrated is minimal and does not warrant the full uncrated rate for this shipment but does require special handling.

**"No Documentation":** Shipments arrive from a small package carrier (including, not limited to, FedEx, UPS, DHL) without an individual Bill of Lading or shipments without a certified weight ticket which requires additional time, labor and equipment to process.

**Difference Between Crated and Uncrated Shipments:** Crated shipments are those that are packed in any type of shipping container that can be unloaded at the dock with no additional handling required. Such containers include crates, fiber cases, cartons and properly packed skids. An uncrated shipment is material that is shipped loose or pad-wrapped and/or unskidded without proper lifting bars and hooks.

**Dimensional weight** is calculated by L x W x H (in.) divided by 200. Material handling and Shipping rates for this show are on actual or dimensional weight, whichever is greater.

## EXHIBITOR APPOINTED CONTRACTORS (EAC) GUIDELINES

### **\*Please complete and return both EAC forms\***

Viper Tradeshow Services, acting on behalf of all exhibitors and in the best interest of the exposition, has appointed Official Service Contractors to perform and provide necessary services and equipment. Official Service Contractors are appointed to: ensure the orderly and efficient installation and removal of the overall exposition, assure the distribution of labor to all exhibitors according to need, provide sufficient labor to satisfy the requirements of the exhibitors, and for the exposition itself, see that proper type and limits of insurance are in force, and avoid any conflict with local union and/or exhibit hall regulations and requirements.

The Official Service Contractors will provide all usual trade show services, including labor. Exceptions are: the exhibitor may provide supervision; exhibitor may appoint an exhibit installation contractor or display builder.

**Exhibitors may employ the service of independent contractors to install and dismantle their display, providing the exhibitor and the installation and dismantling contractor comply with the following requirements:**

1. Exhibitor must notify in writing to Viper Tradeshow Services the intention to utilize an independent contractor (EAC) no later than 14 days prior to the first move-in day, furnishing the name, address, and telephone number of the firm.
2. EAC agrees to comply with all the rules and regulations of the show outlined in this agreement, the Exhibitor Kit, including all union rules and regulations and accept liability for any negligent actions.
3. EAC must provide certificates of insurance confirming the following required insurance:
  - i. Commercial General Liability, including contractual liability, with a minimum limit of \$1,000,000, \$2,000,000 general aggregate and \$2,000,000 products and complete operations aggregate.
  - ii. Automobile Liability with a limit of not less than \$1,000,000 combined single limit, each accident. All owned, hired, and non-owned boxes marked.
  - iii. Workers Compensation, as required by law, with Employers Liability limits of not less than \$1,000,000.
  - iv. Umbrella/Excess Liability with a limit of not less than \$1,000,00 each occurrence/aggregate.
  - v. All policies (except Worker's Compensation) will name Viper Tradeshow Services (Official Service Contractor), Show Management, Show, and the Facility as additional insured on a primary and non-contributory basis.
4. EAC agrees to indemnify, defend, and hold the Show Management, the Facility and Viper Tradeshow Services harmless from and against all claims, lawsuits, demands, liability, costs, and expenses including reasonable attorney's fees and court costs, arising out of EAC's operations. EAC also agrees to reimburse Viper Tradeshow Services for all attorney fees and costs incurred in connection with all claims, lawsuits and counterclaims that should arise out of EAC's failure to adhere to the terms of this agreement.
5. Exhibitor agrees that they are ultimately responsible for all services in connection with their exhibit, including freight, drayage, rentals, and labor.
6. The EAC must have all business licenses, permits and Workers' Compensation insurance required by the state and city governments and the convention facility management prior to commencing work, and shall provide Show Management with evidence of compliance. If the EAC fails to provide the necessary documentation required, the Exhibitor will be required to use Viper Tradeshow Services for such services at the rates published in the Exhibitor Kit.
7. The EAC will provide Viper Tradeshow Services the number of on-site employees at the time of check-in and see that they have, and wear identification badges as determined by Show Management. No EAC will be permitted on the exhibit floor during show hours without the proper exhibit badges supplied by the exhibiting company.
8. The EAC shall be prepared to show evidence that it has valid authorization from the exhibitor for services. The EAC may not solicit business on the exhibit floor.
9. EAC/Exhibitor may not move freight from one booth to another booth or anywhere else within the Facility, Viper Tradeshow Services must provide labor.
10. The EAC must confine its operations to the exhibit area of its clients. No service desk, storage areas or other work facilities will be located anywhere in the building. The show aisles and public spaces are not a part of the exhibitor's booth space.
11. The EAC shall provide, if requested, evidence to Viper Tradeshow Services that it possesses applicable and current labor contracts and must comply with all labor agreements and practices. The EAC must not commit or allow to be committed by persons in its employment any acts that could lead to work stoppages, strikes or labor problems.
12. EAC will be responsible for all reasonable costs related to its operation. Where applicable a one-hour minimum labor charge will be charged at the appropriate labor rate per union to either the EAC or Exhibitor.
13. The exposition floor, aisles, loading docks, service and storage areas will be under the control of the official service contractor, Viper Tradeshow Services. The exhibitor appointed contractor must coordinate all its activities with Viper Tradeshow Services.
14. For services such as electrical, plumbing, telephone, cleaning and drayage, no contractor other than the official service contractor will be approved. This regulation is necessary because of licensing, insurance and work done on equipment and facilities owned by parties other than the exhibitor. Exhibitors shall provide only the material and equipment they own and is to be used in their exhibit space.
15. The EAC/Exhibitor should order services/rentals from Viper Tradeshow Services and the Facility vendors in advance. Ordering services onsite, which Viper Tradeshow Services may not be prepared to provide immediately upon request) may delay the set-up of the booth or force the setup into overtime.
16. The EAC/Exhibitor should arrange the protection of the product in the booth.
17. The EAC/Exhibitor should label empty containers/crates for storage as soon as they are ready. Holding back on empties adds to congestions to the aisles. Viper Tradeshow Services is not responsible for items left unattended on the show floor or any items stored in empty containers.
18. The EAC/Exhibitor agrees to turn in all outbound bills of lading at the Viper Service Desk on a timely basis. Turning in large amounts of freight bills at one time may delay the outbound loading and subsequently force the loading out into overtime.

**I have read the Exhibitor Appointed Contractors section of this manual and understand the terms and conditions. I understand that all the contractors listed above must be approved by Viper Tradeshow Services. I understand it is my responsibility to see that each representative from any EAC for my company abides by the rules and regulations of the event. I also understand that any EAC listed above that is not approved by Viper Tradeshow Services will not be permitted on the floor.**
